

Claudia Franco

Studio Operations Program Manager,
Respawn Entertainment

Claudia Franco is a fifteen year AAA video game development senior professional with a background in building diverse teams through the lens of DEI. She has been with Respawn Entertainment for six years transitioning from Talent Acquisition to Program Manager leading their Internship & DEI Program.

Claudia is a first generation college graduate beginning at LACC and continuing to CSUN where she earned an M.A. in Communication Studies with an emphasis in Intercultural and Race Studies. Her passion lies with students and helping them pave the path within video games.
